**Subject:** My Contact List for Local Elected Officials and Congressionals

Hi all,

Please find attached the list I've been building for Congressional Staff, State and Local Officials and other Local Representatives. This is also the list of people currently on the invite list for the call. It's not totally filled in for Regions 6 and 9 and may be missing some folks that have indeed been invited. I'll be cross-referencing that list later tonight.

I hope you find this useful. If there are any additional people you would like me to add to the call invite, please send me their email address and I'll get them on there.

Thanks.
